Pursuant to Title II, Article XII, Sections 10 and 15 of the Compact and Commission Regulation No. 65 promulgated thereunder, each Commission-authorized carrier is required to file with the Commission an annual report for calendar year 1979. Forms for such reports were mailed to the carriers and were due March 31, 1980. To date, the annual reports of the above-named carriers have not been received.

Blue Lines, Inc., filed a partial report and requested an extension until April 30 to file the remainder. On May 2, 1980, Blue Lines filed the remainder of the report which was rejected for technical reasons. Bannister Enterprises, Inc., Tara Lines, Inc., and Ernest H. Bannister, Sr., requested extensions until April 30 to file. Executive Limousine Service, Inc., requested an extension until May 15. Nothing has been filed by any of the other above-named carriers.

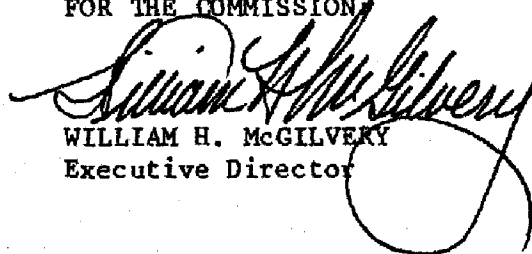

THEREFORE, IT IS ORDERED:

1. That each of the above-named carriers is hereby directed to file its annual report for 1979 no later than Thursday, May 15, 1980.

2. That in the event any above-named carrier fails to file its 1979 annual report within the time specified herein, the certificate of public convenience and necessity issued to such non-complying carrier shall stand suspended effective Friday, May 16, 1980, at 12:01 a.m., and said suspension shall remain in effect until the annual report of the non-complying carrier is filed and accepted by the Executive Director.

3. That any above-named carrier for which a suspension becomes effective pursuant to the next preceding paragraph herein is hereby directed to cease and desist from engaging in transportation for hire of passengers between points in the Metropolitan District during the duration of said suspension, and is further admonished that its failure fully to comply with the terms of this order may result in revocation of a non-complying carrier's certificate of public convenience and necessity pursuant to Title II, Article XII, Section 4(g) of the Compact and enforcement proceedings pursuant to Title II, Article XII, Sections 18(a), (b) and (d) of the Compact.
